How to Use

On: To turn the headset on, press and hold the power button for 3 seconds. The LED indicator will flash blue.

OFF: Press and hold the power button for 5 seconds to turn off. The LED indicator will flash red.

Connect: To connect with a device, press and hold for 3 seconds while it is powered off. The LED indicator will flash red and blue. Once the device discovers J20, the devices can be paired.

Pause/Play: Click the Multifunction Button once to pause or play.

Answer/End Call: Click the Multifunction Button once to Answer a call. Click it again to end the on-going call.

How to Use

Volume Up: Press the Volume Up Button

Volume Down: Press the Volume Down Button

Next Track: Double-click the Multifunction Button

Last Track: Triple-click the Multifunction Button

Voice Assistant: While the headset is on, press and hold the multifunction button for 3 seconds. To exit the Voice Assistant model, press and hold the multifunction again for 3 seconds.

Charging: The LED indicator will be red during charging. It will change to blue once it is fully charged.
